Commissioner for Patents

The reply filed on 08/10/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): in the front page of the Applicant's response to the non-final rejection, the application number is properly shown. However, in pages 2 to 6 of the amendment, the Applicant's representative accidentally discloses a different application number (10/035,218). In order to clarify and disclose properly on the record the correct application number, the Examiner has send this notice of Non-responsive amendment.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
